

Dear ICIA Members,

Welcome to one of Toronto's most popular speaking series, Toronto Talks. Our dynamic series, now in its fifth year of operations, allows you the opportunity to hear from Toronto's leading experts in the fields of **Internet and E-Commerce, Management, Leadership skills, Personal Development and Business Development skills.**

As business people, we are captivated by the day to day operations of our own enterprises. So it is important that that you rub shoulders with others who are succeeding in their fields. It gives you insight into other worlds and markets that otherwise remain a secret.

That's why we've initiated Toronto Talks. We want to give you the opportunity to expand your universe and hear first hand what business leaders in and around the Toronto area are doing. And we welcome you to come out and hear from our top quality speakers and learn with the experts. But don't just take our word for it, read our testimonial section and find out what people really think!

Toronto Talks is **FREE** if you are a member of the **GUILD OF INDUSTRIAL, COMMERCIAL, AND INSTITUTIONAL ACCOUNTANTS** (in good standing). Otherwise, we charge \$20 at the door.

We also pride ourselves on being a charitable organization. All proceeds from Toronto Talks go towards Camp Oochigeas, a camp for children with cancer located in Ontario.

If you would like to participate in our series, you can RSVP to our events through the RSVP tab at our website (www.torontotalks.org) or sign up for our newsletter. Our seminars take place at Metro Hall, 55 John Street, Toronto, ON (Room TBA).

Have a terrific Toronto Talks day!

Regards
